### **Award of Contract**

### **24. Post-qualification**

24.2 The determination will take into account the tenderer financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the tenderers qualifications submitted by the tenderer, pursuant to paragraph 12.3, as well as such other information as the Procuring entity deems necessary and appropriate.

24.3 An affirmative determination will be a prerequisite for award of the contract to the tenderer.
